On October 30th, J. Golden offered to a junk dealer in Stockton, a shipping receipt, purporting to cover 1000 lbs. of brass and 1250 lbs. of rubber, shipped from Raymond, Calif. to J. Golden on October 29th. Golden stated that the shipment had not yet arrived, but desired to draw some money on it, agreeing to sell the shipment to the Stockton junk dealer. The junk dealer gave him \$100.00 on account. Investigation shows that Golden made some shipment of freight to some place in Calif. to some other destination, covering some article, obtaining the agent's signature to the shipping receipt, which appears to be "RHL or RMD". (Notify me if you know the signature.) Golden then erased the name of the shipping point, destination and articles covered, and inserted "Raymond" as the shipping point, "Stockton" as the destination, and brass and rubber as articles, leaving the agent's name intact.

Please make haste to notify all junk dealers in your city to watch for this man. His description follows:-

J. Golden:- age 25 to 30 yrs.; height 5' 8" or 9"; weight 150 lbs.; very dark brown hair, somewhat bushy, curly and parted in the middle; good clear rosy complexion; is probably a Newbrow; spoke with a slight accent; wore a split suit, thinks coat and vest are dark and the pants gray; stiff black hat. Left Stockton Oct. 31st, 1910.

Wire all information to me at my ex; use. Arrest, hold and wire me.

person and win the confidence of their friends or acquaintances, after which he has them cash a draft or check which proves to be worthless.

In September last, while in this city, he represented himself as Frederick Reynolds, Jr., the son of a prominent citizen of Colorado, and induced one of his friends (Reynolds, Sr.) to cash a draft drawn on the Stewart County Bank, of Canon City, Colorado, for \$135.00, which proved to be a forgery.

Cheevers' home is in Andover, Mass., and on August 15, 1905, he was sentenced to the Concord Reformatory at Lawrence, Mass., and again on April 2, 1909, committed to the Elmira, N. Y., Reformatory, from which institution he was paroled.

Your co-operation is earnestly requested in securing his apprehension, and if found, cause his arrest or telegraph at my expense any information you may obtain of his whereabouts.

Wanted for Embezzlement and False Pretense

Dear Sir:—

We are extremely anxious to effect the arrest of a man named William T. Carey, an optician, who decamped with \$1100.00, representing the savings of an un-sophisticated and hard working widow, whose physical condition makes the case a most pitiful one and worthy of your best efforts. Carey has a pleasing personality, and under the assurance that he could double the money on an absolutely infallible investment, the widow entrusted her savings to him.

He is described as 55 to 60 years of age, five feet ten inches tall, gray hair, rather thin on top, which he combs pompadour, sharp brown eyes, well built, broad shoulders, smooth face when last seen but could easily raise beard or mustache, is a good dresser and fluent conversationalist. Has traveled abroad and receives letters from the old country, particularly Germany. Is well supplied with cash and carries a quantity of unset diamonds in a chamois bag, which he sometimes offers for sale. Usually rents an office in the down town district purporting to be handling optical goods, but his stock is limited.

The fugitive seems to be engaged in the business of duping women, as the bulk of his mail appeared to be from female correspondents throughout the United States. He left his victim in Baltimore almost destitute, and any assistance given in an effort to accomplish his apprehension will be greatly appreciated. Should you be successful in arresting the man, advise by wire and an officer with the necessary papers for his return will be sent to your city at once.

Very respectfully,

THOMAS F. FARNAN, Marshal.

San Francisco,

Dear Sir:--

We hold Felony Warrant for the arrest of one F.N. Myers, on a charge of "Conducting an Illegal Banking Business", and, as we are very anxious to have him apprehended, we furnish you with the following personal description and information, with the desire that you make every possible effort to locate and arrest him, should he put in an appearance in your city:

This man is a good promoter, having, and showing great self-assurance, and is well known in certain financial circles, having been connected with, and some cases promoted several 'Wild-Cat' banking institutions, nearly all of his dealings proving 'shady'.

He started a small institution here known as 'The Italian-American Bank', he procured no state banking licence, but quietly began doing a small banking business, receiving deposits and etc. and, after he had received a considerable amount, closed the doors of his place, and went into hiding. He dodged around town here for several days, but all efforts to locate him were in vain, and he was last seen in this city Saturday evening, March 18th.

He is described as follows:

60-62 years old, 6 feet tall, wore a small grey mustache, (which at present he may have shaved off), rather a long appearing face, very shrewd appearance, dark hair, streaked with grey, and rather bald on top of head. When last seen, wore a long split-tail coat of some dark color, a black stiff-hat, and a straight white collar and black fore-in-hand tie.

This man is a good talker, and puts on a very bold appearance and is undoubtedly hiding in some town close to Portland; and more than likely under an assumed name. He is very smooth, and if picked up and held as a suspect, will undoubtedly prove, or attempt to prove a dozen different alibis.

If located, arrest, hold and wire, and we will immediately make arrangements for his return. Kindly cause all papers found in his possession to be held as evidence.

Yours very truly

Chief of Police:

We hold Felony Warrant issued from a Grand Jury indictment for the arrest of one Chas. B. Brooks on a charge of Knowingly Uttering a Forged Bill of Lading, who we believe the following information and personal description may aid you in locating, should he come to your city.

This man, going under the name of Chas. B. or C. B. Brooks, made his first appearance in this city about February 15th, this year, being very commonly, if not poorly dressed; and began dealing in a small way with some of the commission merchants in this city. His dealings with all people in this city apparently being on the square, he gradually gained the confidence with all whom he dealt.

Prior to coming here, however, he had circulated statements among the farmers of Idaho stating that he would pay them a stipulated price for their hay and grain, upon their delivering same to this city; further agreeing to pay them 50 per cent. of the money due them on the receipt of the Bill of Lading, and the balance as soon as the cars were unloaded and checked up.

He received a number of cars of hay at different times, which he disposed of to different commission men of this city, but never settled with any of the people who shipped him same. Then his master stroke came on March 5th, at which time he had several large consignments of hay shipped to him from Twin Falls, Buhl, Rupert and Hansen, Idaho, on all which he collected about 80 per cent. of the value, and at the same time forging a bill of lading on two cars of oats, which he sold to Albers Bros. Milling Co., and collected the money. He then quietly left for parts unknown.

He is described as 35 years, 5 feet 7 inches, 150-155 pounds, medium dark complexion, smooth shaven, dark hair, rather pointed chin and nose, dark eyes, (probably a light brown) rather red face, and he continually smoked a black, straight stemmed pipe.

The Albers Brothers Milling Company of this city has authorized us to offer a reward of \$300.00, which they will pay for the arrest, detention and delivery to an authorized officer from this department, of this man, when we have him properly identified, in any jail in the United States or Canada.

We desire that a close watch be kept for him, as he undoubtedly will go to some other city, where he will begin his operations.

If located, arrested, held and wire, and an officer with the necessary papers will be sent for him.

\$50.00 REWARD

Will be paid for the arrest of JOSEPH A. CONLEN, whose photograph appears above.

This man absconded with approximately Twenty-six hundred dollars (\$2600), and has been indicted for embezzlement.

He is described as about thirty-five years of age, medium height, light complexion, smooth face, but may raise mustache, nose a little prominent with an indentation about the center, which looks as if a piece of flesh had been removed and while not large is very prominent, neat dresser, member of the Elks and wears the insignia of that Order in the lapel of his coat.

Is a piano salesman and at the time of his disappearance during the month of August, 1910, was in charge of an agency.

We are extremely anxious to effect the apprehension of the fugitive, and your co-operation toward that end will be greatly appreciated. Should you be successful, kindly advise by wire and an officer with requisite papers for his extradition will be sent for him at once.

WANTED AT EL PASO, TEXAS, FOR EMBEZZLEMENT

The above is a splendid late photograph of the man wanted

The above is a splendid late photograph of this party and wife

Age about thirty-six years; height about six feet; weight 180 to 190 pounds—heavy but not fleshy. Complexion very dark. Slightly marked on snailpop, noticeable on forehead only. Hair very dark, parted in middle, but hair may be dyed another color. Hat size No. 7. Eyebrows and lashes long and black. Eyes greenish-brown. Chin square and dimpled. Nose turned up. Lips full, with heavy lines down from nose. Talks in jerky sentences, often broken with: "Now, I'll tell you," or, "Let me tell you," or, "I'll tell you." This "tell you" habit in his speech should prove to be one of the best points of identification. Also has habit of biting finger nails. Lobes of ears grown to head. Ears medium size.

The following is also a good description of Mr. Hall: "A man of about 180 pounds, about six feet tall, broad-shouldered, stands erect, usually is favorable to brown clothes, parts his hair in the middle, color of hair is brown, having a reddish cast in the sun.

"The most peculiar characteristic of Mr. Hall is the following: When he is talking he has a great habit of saying, 'I tell you,' and talks in broken sentences, or rather in a jerky style, speaking three or four words and then hesitating, and then continuing."

A decided blonde. Wears nose glasses. Age about thirty-one years. About five feet, seven inches tall. Blue eyes. Weighs about 135 pounds. Wears hair decidedly poupadour. Dresses very stylishly and neat. Has birthmark on cheek.

This party is a salesman for installment houses, both sewing machine and piano; is smooth and exceptionally bright as a salesman, and is the most desperate and dangerous man at liberty to people engaged in the installment business. His method of operating is to commence work and forthwith steal and abscond. Undersigned will pay \$50.00 reward for his arrest and detention. Notify sheriff of El Paso County. Certified check deposited.

Keep this circular at a convenient place, for examination. Do not destroy it.

Dear Sir:

Recently a man by the name of J. B. Ruffo, claiming to be a physician, also claiming to be a graduate of the University of Paris, defrauded the late Chief of Police of this city, myself and several other citizens of El Paso. We have found that he has recently been in Los Angeles - last heard of in San Diego. He claims to have lost his parents and property during the seismic disturbance at Messina. Claims also to be an Italian marquis. Speaks French, Italian, Spanish and English all fluently. Has a pleasant address; Ago about 29; has astigmatic gray eyes; wears glasses; a very prominent nose (Roman); weight about 165; height about 5 ft. 10 in. Affects foreign mannerisms, particularly his hand shake. Recently with Crocco.

We have investigated him thoroughly and find that he is not a physician, simply a professional crook and adventurer with him a clever medical knowledge. I have enclosed you photographs of him of two types, one with his autograph. I am using this method to prevent his defrauding others, particularly members of the profession. Would appreciate your seeing that the members of the societies are warned against him.

Respectfully yours,

HUGH CROUSE, N. D.

WANTED FOR FALSE PRETENSES

ARTHUR LEROY BALL, age 50, 5'8-3/8" tall, medium build, gray hair and mustache, light blue eyes, medium complexion, inveterate cigarette smoker and invariably uses meerschaum smoker.

Ball is a book agent and advertisement solicitor. He opened an office in Baltimore last July and succeeded in interesting one of our citizens in a project he had on hand known as the "G. D. B. Advertising Company," which was supposed to have for its purpose the placing of advertisements on slips issued by merchants, principally grocers, to their patrons. By exhibiting bogus contracts for large amounts of advertising his victim was inveigled into investing Fifteen Hundred Dollars (\$1500) in the proposition. Ball then left the city and while he corresponded with his alleged partner for a while, eventually severed all connections.

The fugitive is accompanied by his wife, a woman about 43 years of age. The couple have left in their wake a large number of forged and worthless checks, which in almost every instance have been passed by Mrs. Ball, mostly on persons known to her. Ball is an adroit swindler and if in your community will no doubt find easy victims by promoting some advertising scheme or passing worthless checks through his wife.

Ball has been indicted here for his offense, and I am very anxious to effect his apprehension. Will your please, therefore, co-operate with me in this respect, and if successful, advise by wire and an officer will be sent for him immediately.

Marshal.

SCHEME TO DEFRAUD.

Robt. Davis and R. J. Jackson scoured \$250 from Geo. S. Knopf who answered the following advertisement, which appeared in the Kansas City Star of Sept. 1, 1912:

"BUSINESS--\$350 buys a half interest in light manufacturing business; well known staple articles; steady demand; big profits; \$150 each per month guaranteed; want good man or woman for inside work."

The business was the manufacture and sale of imitation maple syrup, maple sugar and flavoring extracts, but as soon as the money was paid by Knopf and a demonstration made of the business by Jackson both men promptly disappeared and they are probably operating again in some other city.

They also operated, with the assistance of a woman, who poses as the wife of Davis, a fraudulent scheme by advertising for a partner in the Kansas City Star of Sept. 1, 1912, as follows:

"BUSINESS WOMAN having \$400 to invest, wants a partner with the same amount for some good business; restaurant, confectionery or rooming house preferred."

The parties are described as follows:

Davis; age 45, height 5 ft. 4 in., weight 130 lbs., fair complexion, hair dark with few gray hairs, bald on top and very thin in front, dark brown eyes, dark beard with few gray hairs, but smooth shaven, teeth white and even, ordinary build, soft black hat, black suit and shoes. Has pit bullet wound scar on one forearm. Plays pool and billiards, and drinks beer. 153

ANSWERING
BY REFER TO
ALS

Chief of Police,

Dear Sir:-

---Re-Edward C. Nettleton, George A. Butler ---
and H. I. Foster.

I hold Grand Larceny warrant for the above named parties who fleeced a citizen out of \$2,000.00 on a fake horse race, better known as the "Pay off game."

They gave the above names, which of course are fictitious. Foster was the stealer, Butler the operator and Nettleton the Betting Commissioner or inside man.

The trick was pulled off in the Belmont Hotel, this city, but the proprietor and help claim to know nothing about the confidence men other than the renting of the rooms.

Following are the descriptions given us by the victim and the hotel people.

NETTLETON: 40 years old; 6 feet; medium build; weight about 200 pounds; hair medium dark and bushy; complexion reddish; face smooth and full. Wore a dark blue overcoat and black stiff hat with low crown.

BUTLER: 30 years old; 5 feet 6; 140 pounds; build medium; hair, dark; dark eyes; smooth shaven.

FOSTER: 28 to 30 years of age; 5 feet 6; 135 pounds; rather slender; hair dark and thin; complexion, sallow; eyes, dull gray; smooth shaven; large nose; and looks like a Jew. Had a large carbuncle on back of neck, and will have a fresh scar from same; teeth appeared to be false with some gold in them.

I am very anxious to apprehend these parties, and will extradite from anywhere in the United States or Canada.

Any information you may get please wire at my expense.

Yours very truly,

C. G. BANNICK,

(Tennant).

Chief of Police.

WANTED

199 E. R. KIGER,

Alias Samuel E. King, alias H. G. Williard, alias Edward S. Kyle, alias R. L. Johnson, alias R. E. Jordan,

The above is a photograph of E. R. Kiger, alias Samuel E. King, alias H. G. Williard, alias Edward S. Kyle, alias R. L. Johnson, alias R. E. Jordan, now under indictment at Pittsburg, Pennsylvania, for using the mails in a scheme to defraud. Kiger is also wanted for a similar offense recently committed at Trenton, Michigan, and it is expected an indictment will be returned within the next few weeks.

Another picture with mustache (under name Samuel E. King) will be found on the last page of the June, 1912, issue of The Detective, a Chicago publication, which will be found on file at police headquarters in most cities.

About two years ago Kiger had an office in Chicago and advertised a second-hand motor (worth \$500 or \$600) for sale. Inquirers were requested to remit \$50 and pay balance on receipt of motor. In Pittsburg he advertised a Hudson Roadster automobile, giving as a reason for selling that the owner had suddenly died. He sold this machine six times, collecting from \$100 to \$600 in each instance. In February, 1913, he opened up extensive offices at Pittsburg, styling himself the Tucker Churn Company. He advertised for agents and secured remittances of \$6.00 each from applicants for a sample churn.

Kiger last operated at Trenton, Michigan, styling himself the Continental Motor Cycle & Boat Company. He rented a building, employed eleven stenographers and advertised motor boats and motor cycles below market price, asking for \$50 with order and the balance at rate of ten dollars per month. He has realized considerable money in conducting the last two schemes but has not shipped goods in any instance. He operates for a short time only and then disappears. He has also operated at Saint Paul, Minnesota, and is wanted by the local authorities of Memphis, Tennessee, at which place he rented a building for theatrical purposes, tendered a forged check for rent and received the difference in currency.

Kiger's description is as follows: Age, 47 years; height, 6 feet, 2 inches; weight, 180 pounds; complexion, florid; mustache, brown; hair, thin on top of head; eyes, pale blue; teeth, one upper tooth gold; left hand, tip end of middle finger off.

Bertillon Measurements:—85.9; 91.0; 97.2; 20.5; 15.2; 7.2; 14.2; 28.4; 12.2; 9.6; 50.5. Frequently carries about with him a valuable bulldog.

Dear Sir:

On the 19th of November, The Cleveland National Fire Insurance Company caused to be sworn out warrants in Akron, Ohio, for the arrest of two parties representing themselves to be H. E. Kimble and J. M. Young.

These warrants were sworn out at Akron, Ohio charging H. E. Kimble with embezzling \$2025.00 and J. M. Young with obtaining money under false pretenses. These men are described as follows:

203 H. E. Kimble, about six feet tall, weight 160 pounds, age about 35; high cheek bones, gray hair, rather florid complexion, large eyes and a little bald spot; wears his hair long enough to comb over the bald spot. Wore a Shriner's pin, claimed to have come from Scranton, Pa. and to have been connected with a life insurance company there. He was dressed in a brownish gray business suit with a fedora hat and a black overcoat when he came here.

204 J. M. Young, whom we have never seen is described as being five feet, six, weight about 200 pounds, big nose, protruding upper lip, dark complexion, black curly hair, smooth talker with a decidedly Eastern accent. Dark clothing and derby hat.

We have offered a reward of \$500 each for the arrest of these parties, and the probabilities are that you are more apt to locate them around the offices of some life or fire insurance company that is in the formative stage or acting as salesmen for some life insurance company, or endeavoring to sell stocks or bonds in some company organizing.

Any further information you may desire will be gladly furnished promptly. Wire our expense.

Very truly yours,

The Cleveland National Fire Insurance Co.

Chief of Police,

Dear Sir:

Enclosed you will find picture of Dijon de Wojnies, for whom I hold a felony warrant.

Description: Age, 32; height, 5'11"; weight, 185#; smooth face; dark complexion; dark hair; prominent nose; foreign accent. looks like a Jew; has initials "J.W.B." on baggage; claims to be an expert aeronaut.

This man obtained 32000 from a woman in this City, by false pretences. He represented himself to be a Hungarian Count and an officer in the Hungarian Army; he is fond of displaying his photograph in the uniform of an officer of such army and refers frequently to his ability as an aeronaut. It is probable that he will use the above representations as the foundation for obtaining contracts with newspapers for proposed flights in his airship; this seems to be his method of obtaining publicity and introductions.

He has been very successful in gaining the confidence of women by his polished manners and apparent culture.

This man is a smooth and clever swindler and we are anxious to apprehend him.

Arrest and Hold the following parties till placed in custody of United States Marshal:

Fred Brantner, 220
 Dan J. Conners, 221
 Ben F. Fairchild, 222

O. E. Gross, 223
 L. C. (Lester, Carlton, or Carl) Miller, 224
 alias Dale Hadley, Etc.
 C. A. Severance, 225.

These parties are now under indictments returned by United States Grand Jury at Portland, Oregon, for conspiracy to misuse the mails in a fraud scheme.

They have worked extensively in the Pacific Coast states and east as far as Illinois, soliciting people to make applications through them to purchase quarter sections of O. & C. R. R. grant lands in Oregon, collecting "filing fees" from each applicant usually \$150 in advance.

They assume to locate the applicant on 160 acres, file his application, assuring him that a preference right to purchase is thereby acquired on account of which he will obtain a good title upon his paying either the railroad company or the Government \$2.50 per acre when pending litigation is ended, which, they advise him, will not be longer than six to twelve months. He is further assured that actual settlement is not required.

As inducement they require a signed option on the timber, agreeing to pay a fixed rate per thousand feet upon the applicant acquiring deed, also assuring him their attorney will give all necessary legal attention. As result the applicant will acquire 160 acres valuable land, also receive several thousand dollars, proceeds of his timber, after purchase price of his land is deducted therefrom and paid the grantor.

These men work singly or in pairs, from a local hotel or real estate office; sometimes advertise in local papers "Timber Claims", "Railroad Lands" or "Relinquishments"; use maps, plots, timber views, law books, etc., to explain the proposition; they also approach and interest persons acquainted in the community as agents, giving them commission—\$10 to \$15 per application—on business secured among their friends.

They frequently employ the Telegraph, Telephone and Express in carrying on their work.

ARREST---I HOLD FELONY WARRANT

Prof. Tom McCullough, alias Prof. T. Williams, Prof. Z. Williams, Prof. Bjlon, Prof. Anderson, Prof. M. Thomas, Prof. Cunningham; known as Prof. Anderson in Dallas, Texas, as Prof. M. Thomas in Chicago, Ills., where he stayed at the La Salle Hotel; as Prof. Cunningham in San Francisco; as Prof. Z. Teeth are good, some gold in front ones; nose is regular, inclined to be large; hands and feet are large.

SCAR ON FIRST PHALANX OF LEFT RING FINGER, POSTERIOR, near first joint, said to have been made by some one trying to cut a valuable ring from his finger at one time when he was assaulted and robbed.

May be selling a patent preparation called "VANISHING FACE CREAM," also interested with McCullough in a tubercular cure that McCullough was exploiting while here.

Their mode of operation here, was to interest some woman of means in Clairvoyance and Medium work, always picking out some woman whose child had died some time previous, and of whom they had previously obtained confidential information; then on strength of information, cause her to believe that they were receiving messages from departed one from spirit land, and by playing on credulity of victim, obtain large sums of money from victim, saying that by the use of money advanced they would locate hidden wealth, that rightfully belongs to victim, as per messages from spirit land, in some cases obtained valuable diamond from victim, using the bunk that the diamonds had an evil influence that could not be overcome by spirits, and that the victim should put them in Professor's hands for safe keeping.

This fellow McCullough is of pleasing personality, and will readily gain the confidence of women, especially those who have at some time lost a near relative, and who are widows and approaching middle age.

His wife also assists in obtaining information and data regarding victim, coming in contact with them while peddling of "VANISHING FACE CREAM," obtaining information in this way, that the use of impresses victim that McCullough has power of receiving messages from spirit land, and which paves the way for the "big touch."

Their operations in this section of the State netted them, and their gang, about \$30,000.00, and wherever they may be, they will be carrying on the same game.

Chief of Police,

Dear Sir:-

---RE - J.SAVIO AND L. BOORI---

The following described men buncoed an Italian resident of this city out of \$2664.00 by the "box" trick. After inducing him to get his money out of the bank they went to a room where these men opened a box showing what purported to be \$25,000.00 to \$30,000.00 in money. It was suggested that he put his \$2664.00 in the box with the other money, which he did. They then took and placed the box in a grip when Navonia (the complainant) protested saying he wanted to hold the money. One of the men reached down in the grip and handed him a box. The above two men then said they were going out to make some purchases and asked him to wait for them. In about five minutes Navonia got suspicious and opened the box and found it filled with newspapers.

233 Following are the descriptions:
J. SAVIO- 30 to 34 years old; 5 feet 6; 145 to 155: medium dark complexion; rosy cheeks; two gold teeth in upper jaw; dark brown hair mixed with grey; more grey around ears than in back; smooth shaven; but could grow heavy beard; wears diamond ring on left hand; wore dark brown suit; light telescope ~~hat~~ shaped hat with lighter band; black shoes.

Please use your best efforts to locate and arrest these men, hold and wire my expense when I will send officer for them.

Yours very truly,

AUSTIN E. GRIFFITHS,

Chief of Police.

At one time he was located in New York City as manager for John Nemeth, 395 Broadway, steamship agent, with whom he corresponded, and who was presumed to be Reh's New York banker.

He is described as being about 45 years of age, about 6 ft. tall, swarthy complexion, usually has stubby black mustache, black hair, is a Hungarian, weight about 200 pounds, wears signet ring on right hand, is a neat dresser.

He will have his wife and two children, girls, 3 and 5 years of age, with him, and will probably engage in the same business, and do business exclusively with Slavish people, speaks several languages.

Am very anxious to get this fellow as the people he has defrauded are all poor, hard working class, and this money was given him to send to relatives and dependents.

If located, arrest and wire and an officer will come for him as soon as the proper papers can be procured.

Dear Sir:-

On April 2nd 1915, Sam Johnson met a party giving the name of T. F. Johnson, in Central Park, Los Angeles, California, and engaged him in conversation and on the next day they met again, and T. F. Johnson introduced Sam Johnson to a party giving name of H. R. Roberts, representing himself to be an agent of the New York Racing Syndicate, and made a bet of \$10,000.00 on a fake race-horse race, winning \$1,000.00; but could not cash the bet in Los Angeles, as parties who lost the bet would have to see the "ready cash", which Sam Johnson had not put up at the time of the bet; so they made arrangements to come to San Francisco, where Sam Johnson put \$100.00, on the same proposition and was humbugged.

Kindly have an investigation made among your men and see if they know any of the parties mentioned above.

258 Description of H. R. Roberts:

COEUR D'ALENE, IDAHO, April 24, 1915.

I hold warrants for the arrest of a man and woman known here as Professor F. A. WISE and wife upon a charge of felony. If arrested, notify me by wire at my expense. We will extradite and pay \$50 reward for making the arrest, when we take charge of the prisoners, and will also pay the cost of keeping them until they are turned over to us.

DESCRIPTION

He is about 40 years old, weight about 250 pounds, about 5 feet 10 or 11 inches very bald; what hair he has is black, turning gray, deep set hazel blue eyes, black, eye brows, good teeth, very talkative and affable, always shakes hands in greeting. He is a franc medium, gives medium readings, fortels events and tells fortunes, in fact does everything in that line. His principal game was what he called "placing a seal" he would select some one who had money—most always women and make them believe that the bank in which they had their money was going to fail and induce them to get it and have it sealed in envelopes under his direction and then turn upon their brains for thirty days; this was supposed to cause the wearer to have good luck after the expiration of that time. He, of course, changed the money for substitute, at the time he placed the seal and left the country before he was detected. Some of those he swindled lost as much as \$800.00 and many others in amounts ranging from that to \$150.00.

His wife is about 30 years of age, about 160 pounds, height about 5 feet, 5 inches full square face, with deep wrinkles between mouth and cheek, light gray eyes, complexion a little darker than medium; hair brown mixed with gray; thin eyebrows same shade as hair; hands rather long and slightly wrinkled; rather broad finger nails for a woman. Both of them dress flashy and he wore a very large pearl scarf pin here. They left here Jan. 24th, 1915, well supplied with money and jewelry. They arrived in San Francisco the evening of the 26th, luggage consisting of a trunk and three grips or suit cases, but we have no further trace of them. They are apt to be preying upon the gullible portion of some community on the coast at the present time.

They are dangerous people to be at large and we earnestly request all to assist in locating them, if possible.

J. WALTER LOWENHAUPT and FREDERICK WEINER are under indictment here for obtaining \$1,000 by false pretenses.

Their method is to rent a furnished office, lease a vacant moving picture theatre, advertise for a partner with \$500 to engage in the moving picture business, assuring the investor a \$25 weekly position and interest on his money, delay opening of theatre by various subterfuges—such as, inability to secure proper type of machine, making needed improvements, employing experienced help, etc., such delays giving them time to handle other prospective victims, as they did in Baltimore, securing two deposits of \$500 each before they left the city.

Lowenhaupt is about 40 years of age, 6 feet 1 inch tall, 155 lbs., very slender build, very thin pale face, very sharp nose, dark brown hair, reddish-brown mustache, unusually long fingers, speaks slowly with a slight German accent, well educated and a good dresser.

Weiner is about 55 years of age, 5 feet 8 or 9 inches tall, about 220 lbs., stout build, broad fat face, ruddy complexion, heavy brown mustache, speaks with a decided German accent, moves quickly.

Both victims could ill-afford to lose the amount they did. One had recently lost a large sum of money in the grocery business, and invested all the money he had with Lowenhaupt hoping to regain his losses. We are very anxious to bring these men to Baltimore for trial, and will appreciate it if you will watch the newspaper advertisements (usually in the classified columns under the caption of "Business Opportunities"), and if successful in effecting their apprehension or learning anything of their probable whereabouts, please advise.

His face, neck and hands are covered with large freckles. His health has been poor lately and he has a tendency to Bright's disease. When he went away he probably wore a mixed gray suit; a fairly new rain-coat of good quality, the material being a solid blue, slick cloth; a black slouch hat of the Alpine type, Stetson make, with a flat brim on the edge of which there was no binding.

Hunter is a well educated man and has shown a special interest in travel; is familiar with railroads and steamship lines throughout the world, and is especially interested in the Argentine Republic.

OFFICE OF THE MARSHAL

Baltimore, Md.

July 16th, 1917.

During February, 1917, a man giving his name as Richard Kurtzman, styling himself a collector and alarm adjuster, opened an office here and advertised in the German papers for the acquaintance of a settled woman, matrimonially inclined. Met several of the women, who in this case were German servant girls, and after a quick courtship suggested that they pool their savings and buy a home. In this manner he obtained \$3,700 from three different women. He disappeared from Baltimore on February 28th, 1917.

Kurtzman is a German and can speak a little Spanish. He is apparently between the ages of 40 and 50, six feet tall, 250 lbs., false upper teeth that work loose when talking, small black mustache, darker than hair, which is tinged with gray, large ears, speaks with foreign accent.

He was accompanied by a woman, who he represented at various times as his wife, sister and secretary and who assisted him in his scheme to fleece the women here. She was known as Miss Werner and is about 35 or 40 years of age, 5ft. 4in. tall, dark brown hair, thick lips, fair complexion, wears eyeglasses and is very pleasant in her demeanor towards others. Speaks with German accent.

Will appreciate it if you will ask the German newspapers to advise you should an advertisement similar to that mentioned above be inserted in their papers and investigate the advertiser, who may be the man wanted here. If you have a photograph of anyone operating as did Kurtzman, please send copy of same. In the event of his arrest, advise by wire and an officer will be sent for him.
